- *Land For Sale*
- *Murder for the Books*
- *A Classic Case of Murder*
- *Two Girls and a Dead Case*
- *Two Girls Trapped in Their Own Case*

In *Land For Sale*, this book is about a case of break-in and murder that Detective Sergeant Ben Keyes and his boss, Chief Inspector Mark Bullard investigate and solve.

There is a break in at real estate agent Zoey Wright's home in the middle of the night. Ben Keyes investigates. The next day, Zoey discovers that her office has also been ransacked. Ben investigates the follow-up crime. Later, the body of a man is found in his garden, shot to death.

In *Murder for the Books*, This story is about Chief Inspector Mark Bullard and his junior partner, Detective Sargent Ben Keyes. They are investigating a murder with no evidence to point them in any direction. Soon after, they begin an investigation on a second murder, this time with more leads and clues. Both men instinctively feel the murders are somehow connected but find only subtle similarities that may or may not mean they are related. When a third murder occurs, the two detectives are finally able to connect the dots and but will they find a killer?

In *A Classic Case of Murder*, Ben and Mark, from the Clements Police Department , are investigating a pretty classic case of murder. Carrie Wellington, a famous writer, was murdered in her own car. What a tragic loss! She was such a nice woman, kind and generous! Who would think she'd end up strangled with ...a guitar string?

Carrie was surrounded by a small group of close friends. And the Detectives will be meeting them one by one. Cynthia Lockhart – her best friend forever. Melissa Gilmore – not so much the best, but definitely a good one. Jackie something with a lot of tattoos and bright pink hair. And Tucker – a lily-livered weakling. All of them seem to be really devastated.

In *Two Girls and a Dead Case*, Two Girls and a Dead Case starts with your typical lifelong friendship of two girls who are drawn together by their similar names and then bond. After exploring what the world has in store for them they come back and open a detective agency in their small town where nothing really happens. If it wasn't for a recurring client who only seems to show up when they need the money the most they would

be two broke girls with nothing better to do.

In *Two Girls Trapped in Their Own Case*, it picks up where *Two Girls and a Dead Case* left off. Sarah and Monica, best friends since high school have opened a detective agency in their small and seemingly boring town. They are given a mysterious case involving a missing girl that turns out to be a possible serial killer. When they stumble on a clue that could break the case wide open they impulsively take off and end up facing their biggest challenge ever- facing down and escaping the very killer that they are tracking.
