**"Amazing and thrilling and romantic." --The Tale Temptress**

When Lucas Walker inexplicably recovers from a terminal illness, everyone is astonished --except for his girlfriend Emma, who never gave up hope. However, as friends and family celebrate the miracle, Emma becomes alarmed: Lucas has changed. He speaks haltingly, can't recall past events, and even his own dog doesn't recognize him. Emma begins to suspect something is terribly wrong. What happened to the Lucas she loved? Does his strange behavior have something to do with the shooting light that fell into Lucas's backyard the night he recovered?

As the two set off on a road trip in search of the truth, the journey takes an unexpected turn. First they're shot at by unknown enemies and then helped by unlikely allies. Before long, Emma and Lucas are plunged into a desperate life or death race against time.

Packed with intrigue and emotion, FROM A DISTANT STAR is a riveting novel about loyalty and the power of love.
