The Gamma Raiders series continues with another exciting installment packed with action, adventure, humor, and romance! Can a BBW pilot and a sexy alien warrior find love in the midst of war? One curvy pilot ... Kira Thorne knows it's time to take life seriously -- and with the Rebellion against the Kamaran Empire in full swing, she's eager to do her part. Kira's an ace pilot ... but when she auditions for the elite Storm Squadron fighter unit and chokes at the crucial moment, it confirms all her worst insecurities. She doesn't think she's good enough -- for the Squadron, or the impossibly hot Kamaran who leads it. When he makes her a member anyway, becoming her commanding officer, it's time for Kira to conquer her fears ... and face her desires. One sexy warrior ... Commander Ja'al leads the Storm Squadron. He knows the Rebellion needs Kira's instincts and leadership skills -- but Ja'al sees her beauty, and has to fight the instinct to claim the spirited BBW for his own. His role is to mentor her, not seduce her ... but since Kira wants him just as badly, it's not long before temptation proves too much for both of them. And a life-or-death battle ... When the rebels' location is betrayed and the Empire attacks, Ja'al finds a way to keep Kira out of the fight ... but she's not about to let him risk himself alone. With not only their lives, but the survival of the Rebellion at stake, Kira can't let herself crack under the pressure -- she must find a way to summon the strength Ja'al knows she possesses. Can the lovers lead the Squadron to victory ... or will their happy future be cut short by the Empire's tyranny? **Gamma Raiders: The Storm Squadron Alpha** is a full-length, standalone sequel. The roller-coaster ride leads to an HEA and no cliffhangers!
