Reclaiming the Strike Zone: Do it American Victor Alexander Baltov Jr.

America has steadily regressed from a Republic under the Sign of the Cross towards a mobacracy under the Sign of the Scorpion. Social responsibility and the ethics of conscience have vacated the Field of Dreams like a Baroid tater -- an "all about me" cult of celebrity has evolved. Reclaiming the Strike Zone traces the metaphorical cleat marks through "forbidden" history. The Inside Baseball version of the Soviet Socialist Paradise and Nazi Germany is pitched "shekel free". Sub-systems of the American superstructure featuring education, entertainment, youth activities and family are explored in-depth. The search for something that has been lost -- the secret of the American Dream and American Exceptionalism -- is pursued. All base paths lead to the Christian Church and Jewish Nation. Wise Christian philosophy has been Billy-Goated off the playing field -- secular humanism has taken The Hill. Karl Marx and Sigmund Freud have taken a turn at-bat and gone long. Red tide has been harnessed into Economic Determinism by the F&F Boys. The hidden ball trick has been pulled on the sheeple. Disciples of General Zod lack American patriotism. Time is of the essence to restore what has been taken -- it's the bottom of the 9th with two away. DO IT AMERICAN and "don't give up the ship" are battle cries. Intellectual Millenials must step up to the plate and reclaim what their baby booming Spock baby parents baptized in Dewey waters booted. Identifying the proton pseudos and resetting is the task. Restoring sub-systems [especially education] while playing small ball is the answer. Truth and patriotic leadership are catalysts. A burning desire to be an American -- free and independent -- without getting JFK'd is the secret. There is a happy ending -- it is certain. The Good News delivers that promise.
