Sam O'Donovan is bored with his stale life in Montana. When his brother-in-law offers him a great job and a cut of the McCray Ranch in Colorado, he's ecstatic. This is the change he needs. As for beautiful Sydney Buchanan resurfacing? That's icing on the cake.

Sydney's back for one reason and one reason only. She needs to win as many rodeo purses as she can to help her parents run their struggling ranch in Nevada. She doesn't bank on running into Sam O'Donovan. All the sparks they shared five years earlier are still there, but so much else has changed. If only Sam could understand the decisions she made during their time apart...and trust her.
