***AS TODAY POSTMODERN CULTURE seeks to redefine biblical morality, relationships have taken a serious hit, even within the Church.***

How does this redefinition affect men? From boyhood, to the teenage years, and on through mid-life and retirement, Whisker Rubs describes what men in each of these stages of life are dealing with and the challenges they face. In some instances, men feel they cannot measure up to the expectations placed on them at work, in their marriages, or in their spiritual life. Fortunately they are answers, and these come together in the final section, "Reclaiming Masculinity."

Whisker Rubs is filled with anecdotes, stories, interviews, and studies to bolster the thesis that men desperately want to have a blueprint for their masculine journey.
