What to do to pay off debt is not a secret: throw money at it until it's gone. *Dominate Your Debt: A Work & Play Book* answers the trickier question *how*. As in, "How do I take control of my debt, pay it off on my own terms, and still live my life?"

With humor and candor, *Dominate Your Debt* guides you step by step through creating a plan to pay off your debt. You will understand yourself, your debt, and your options. You will organize your financial life. You will create a payoff plan that balances paying off debt with building savings. You're going to dig deep into your finances and your life, because being in control of debt is as much about what you do as how you feel. The work you do in this book will become your playbook for being confident and in control of your debt.

You won't just learn; you will be inspired and empowered to take action. Together, we will create a personalized, unique plan for you not just to pay off your debt, but to truly *dominate* it.
