What doesn't kill you...

"I will do whatever it takes to keep us together. Nothing can keep us apart. You're mine now." She'd love him just as he loved her. She had to. She didn't have a choice.

In love and happily living the life she always dreamed of, Venna Caldwell doesn't know she is the object of a secret obsession. Until one night when she's home alone and her stalker finally acts on his fantasies, dragging her into a sadistic nightmare that she barely escapes. Running for her life, from a man who will never stop hunting her, Venna reaches out to her estranged half-brother, grasping desperately at what little hope she has left. How far will she go to keep out of the clutches of the unrelenting monster that's hungry for her?

With her ability to grab the reader by the shirt collar, Jess Wygle delivers a fast-paced and intensely psychological thriller that will make you think twice about the people around you.
