She's on a mission. He's in control. For now.

Nicky Scotson is on a mission: to duck, dive and deploy every evasive maneuver she can manage to keep away from Sam Delaney, Chief Executive of her family's construction company. Falling in love with him two years earlier wasn't the smartest thing she'd ever done and she won't repeat the same mistake again.

Sam is unprepared for the havoc that's about to turn his carefully ordered life into a crazy ride of hormones and heartache. When Nicky comes back to Montana to find the person stealing thousands of dollars from her family's company, he knows he's in trouble. A white picket fence and two point five kids have never been part of his plan. He thinks nothing lasts forever...until Nicky shows him that forever is closer than he thinks.
