Hendrik Groen

## Intentos de sacarle algo a la vida (Spanish Edition) Hendrik Groen

Hendrik Groen puede ser viejo, pero no esta muerto aun, y sabe que no debe perder el tiempo este ano. Ciertamente, sus paseos diarios son cada vez mas cortos, sus piernas empiezan a protestar. Ultimamente frecuenta mucho a su medico de cabecera. Si, Hendrik esta hecho una piltrafa. Es un anciano, tecnicamente hablando. Pero quien dice que solo puede vivir su vida escondido en una casa de retiro, tomando cafe y esperando a que llegue la muerte? Esta novela, llena de anecdotas honestas, lleva al lector a vivir junto a Hendrik (el autor, el narrador, el personaje) un ano lleno de altibajos, una montana rusa de esperanzas y decepciones, en un asilo al norte de Amsterdam. Al llegar a la ultima pagina al lector le sera dificil decir adios a tan encantador y divertido ser humano. / Hendrik Groen may be old, but hes certainly not dead yet. Granted, his daily walks become shorter because the legs are protesting and he frequents his GPs office; hes elderly. But why would that mean that lifes only about waiting for death to come?
