## ***DYING TO PLEASE***

Loyal. Beautiful. Professional. Impeccably organized. Potentially lethal. Sarah Stevens is a woman with many distinct qualities. First and foremost a butler par excellence, skilled at running large households smoothly and efficiently, she is also a trained bodyguard and expert marksman - indispensable to her elderly employer, a courtly gentleman whom Sarah has come to respect and love. Then one night she thwarts a burglary in progress, a courageous act that awards Sarah her requisite "fifteen minutes of fame" with the local press. But the exposure is enough to catch the attention of a tortured soul who, unbeknownst to Sarah, will stop at nothing to have her for himself. Sarah's perfectly ordered life is shattered when tragedy strikes: her beloved employer is brutally murdered. The detective investigating the case assures Sarah that she is not a suspect. Until lightning strikes twice. There's a second killing - and this time, despite a lack of evidence connecting her to the crime, Sarah cannot escape the shadow of guilt. The only option left for Sarah is to carry on with her life. But she doesn't realize that a deranged stalker is luring her into an elaborate trap...one in which she, once ensnared, might never escape. For Sarah soon finds herself at the mercy of a man who will tend to her every whim, smother her with affection, and crush her in his all-consuming embrace.

## ***TO DIE FOR***

Blair Mallory lives the good life. She's pretty, confident, and the owner of a thriving upscale fitness center. But in the shadow of success, a troubled member of the club develops a strange fixation on her, imitating her style and dress. Matters take a darker turn when the look-alike is shot dead - and Blair witnesses the horror. As the media speculate on the tawdry details of the homicide and push Blair into the harsh spotlight, she locks horns with police lieutenant Wyatt Bloodsworth - he wants to lead an investigation without interference, while she is determined to probe the dead woman's life on her own. But when someone begins to menace Blair with mounting threats, Wyatt takes notice: Was this murder indeed a lethal case of mistaken identity - and was Blair the intended victim?

## ***KILLING TIME***

In 1985, with much fanfare, a time capsule was buried under the front lawn of a small-town county courthouse, to be reopened in 2085. But just twenty years later, in the dead of night, the capsule is dug up, its contents stolen. That same night, one of the contributors to the capsule is brutally slain in his home - with no sign of forced entry or indication of a struggle. One by one, others who had placed items in the time capsule are murdered. Besides his suspicions about the sudden, mysterious appearance of Nikita Stover, the chief investigator, Knox Davis, has absolutely no leads. And while Nikita's no murderer, she seems to be hiding plenty of secrets. With more at stake than anyone else realizes, the smart-talking Nikita is determined to catch this cunning killer - while at the same time battling her own deepening feelings for a man and for a world in which she doesn't belong.
