### Testimonials

"I've had many occasions to use the materials purchased from ACCR. I enjoy the fact that they come both electronically and in hard copy. I keep the electronic copy on my desktop and find it very user friendly. I usually just search for a word in the document and just like that, I have my answer. The hard copy is nice for traveling or just looking things up the old fashioned way. The layout is very handy. Overall, I've been very pleased with my purchases thus far. The information is easy to find and the books are very easy to read."
