## **Phonics Fundamentals Volume 1** Bob DeWeese

This jam-packed compendium gives you wall-to-wall ways to foster phonics fundamentals for your students. There are activities, with accompanying fun illustrations, for every letter of the alphabet. First, middle, and last sounds for three-letter words are emphasized. Activities build first reading skills, including sound/symbol association and letter formation. There are plenty of reproducible, cut-out flash cards for letters and sounds, and the animals or objects that start or end with them. Progressive formats include: letter names and sounds, blending, and short vowel words. Multiple practice lessons provided for each sound. Poems, puppets, phonics games, and centers are also employed to overcome barriers to learning in fresh and inventive ways. There are clip-and-assemble word machines for each vowel, practice lists, and a You're On Your Way student award page. Complete, step-by-step instructions provided for every activity. All 240 pages perforated for easy removal.
