"The third in a series of nine novels (historical fiction), about the Simpson/Reynolds family and their heroic tradition of defending America and keeping her safe from all enemies foreign and domestic. This book, 'The Fall City Mandate, ' is actually set in real time and jumps ahead of the other two that take place between 1876 and 1915. There will be six more novels to fill in the time between the 1st World War and Gulf War 1. The link between all the characters (male and female) throughout all time periods is they have all won the 'Congressional Medal of Honor' for extreme heroism and bravery. Wilhelmina (Boomer) Simpson is actually the 1st woman to be awarded the medal for heroism during World War 1. Nat Reynolds, the hero of 'The Fall City Mandate, ' is a newly elected Congressman from the Annapolis District of Maryland. Nat is an ex-Navy Seal (if there is such a thing), and runs on a platform of instituting term limits in the Congress and overhauling and revamping the Congress' health and pension benefits. Needless to say, this creates a firestorm among the landed gentry and the plot starts from there
